Dear Sponsor,

On Tuesday, April 7, 2026, at the Chattanooga Convention Center, *Scenic City Women's Network's* (SCWN) will host Dove Award winner, Gospel singer, songwriter and adjunct professor at Lee University, **Babbie Mason** as our special guest for the annual **Praise! Breakfast**. In addition, SCWN will be celebrating over **30 years** of ministry in **Encouraging, Equipping and Energizing** Christian working women! We look forward to a time of celebration, praise and worship. SCWN's only fundraising event celebrates the Lord's blessings to us and uplifts His Name in our community. We are excited to come together to celebrate and give Praise to God. In addition, the prestigious Lydia Award will be presented to a deserving woman for her extraordinary work living her faith in the marketplace. This year we will be honoring two ladies – Jada Daves and Deborah Gunn!

Our Mission: *To Encourage, Equip and Energize* today's Christian working woman. Founded over **30 years ago**, SCWN was established in prayer. According to the Founders, "Prayer is a chief distinguishing factor between SCWN and civic or professional groups." Today, it remains the backbone of everything we do!

Vital programs provide spiritual support and inspiration that fit a working woman's 9-to-5 window. There are many reasons to praise God as members share how their lives have been transformed as a result of our ministry walking with them through the seasons of their careers. Because of *SCWN*, many lives have been impacted for Jesus!

Will you consider sponsoring this major event? Your sponsorship will help us reach even more women in our community who need spiritual encouragement and connection. The Sponsor Benefits sheet

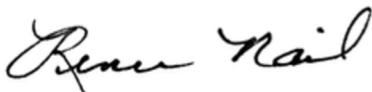

lists the many ways you and your company will be recognized for your assistance in promoting this event.

On behalf of the Board, our members, and the women of our community, who benefit from this ministry, we thank you in advance for your consideration of being a **Praise! Breakfast** sponsor.
